

***Having trouble viewing the Youth Protection courses?
Here are some helpful tips.***

Tips for Successfully Completing SPJA's Youth Protection Courses:

- If you are reviewing the materials on a slow internet connection, we recommend you review the transcripts only.
- For proper recording of your score, please do not retake the quiz as it will delete your previous results (unless you are aiming for a higher score)
- We recommend saving your course completion certificates for your own records.
- Allow yourself at least 30 minutes to properly view all the required material.

For an optimal viewing experience, align your browser settings with the following recommendations before reviewing the courses:

- enable JavaScript
- allow pop-ups
- clear your browser's cache/cookies, then allow 3rd party cookies
